

FLG Pneumatic Lever Actuated Cartridge Dispensers

Fisnar's FLG series lever actuated pneumatic applicators come ready to dispense 2.5, 6, 8 or 12oz cartridges right out of the box. Designed for industrial assembly and sealing applications. Compatible with all 2.5, 6, 8 and 12oz Techcon, Semco, and EFD cartridges.

The lever actuated design reduces the applicators footprint to allow dispensing into hard to access areas. It produces consistent and accurate beads and dots while sitting comfortably in the operator's hands. The durable nylon molded design is built to last.

A convenient integrated metal ring allows for a tool balancer to be attached to the applicator for easy retraction at a work station that can help reduce operator fatigue.

Features

- Durable and ergonomic handle assembly made of Nylon with 30% fiberglass and aluminum alloys
- Lightweight and durable design
- Integrated tool balancer mounting ring
- 0-85 psi operation

Optional Accessories

Item Number 560779 **Pressure Regulator**
0 - 100 psi

Item Number 5801386 **Hose Assembly**
10 ft (3 m)

Item Number 5601950 **Quick Connect Coupler x 1/4" NPT Male**

Item Number 5601951 **Quick Connect Coupler x 1/4" NPT Female**

Item Number	Description
FLG-25	Pneumatic Cartridge Dispenser 2.5 oz
FLG-60	Pneumatic Cartridge Dispenser 6 oz
FLG-80	Pneumatic Cartridge Dispenser 8 oz
FLG-120	Pneumatic Cartridge Dispenser 12 oz

Benefits

- Compatible with all standard 2, 5, 6, 8 and 12oz Techcon, Semco and EFD cartridges
- Low level monitoring slots allow the operator to see when the cartridge is running low on fluid
- Small footprint allows dispensing into hard to access areas
